## Full-Stack Developer

✉ kimothocharles24@gmail.com ☎ +254700132624 🌐 [www.kimothocharles.com](http://www.kimothocharles.com)

Enthusiastic and self-motivated full-stack developer with 2+ years of experience. I am eager to join Safaricom and bring my skill in frontend development, and backend proficiency to every project that will be received in the future. A previous project for improving and redesigning pizzchzz.com resulted in an increase in web traffic by 50% and performance improvement by 20%.

### Experience

#### PeoplePerHour - Front-End Web Developer

2022 - 2023

- Collaborated with designers and other developers to launch web applications, write efficient code, and maintain software documentations.
- Developed a website for a TV station, which resulted in the improvement of the website performance and web traffic by 46%
- Won the second place in the front-end website development competition held by PeoplePerHour and received award money

#### Truelancer - Full-Stack Developer

2023 - present

- Worked together with the marketing team, designers and other developers to develop UI website components that would improve UX.
- Worked individually to conceptualize the website design for new changes on client companies' websites.
- Revamped the client websites for improvement and expansion purpose, which produced a very satisfying result with an improvement on performance averaging 30%.
